The standard price of the course is 150 GEL / month (unless a different price has been agreed as above). The student can enjoy 2 or 3 lessons per week in agreement with the teacher. If a substantial reduction is done, the student can enjoy up to 2 lessons per week.

The payment should be provided within the 3<sup>rd</sup> lesson of each month. It is meant to cover 1 calendar month after the first month lesson: lessons lost and not recovered in the same week (provided that the teacher is available) will not be recovered after the end of each month. (i.e. the start day of each month is fixed, with the exception of National holidays).

We encourage to keep mobile phones turned off or disconnected from the Internet during lessons and to entertain communications with teachers by email or calls. The student will receive additional teaching material either by email or through our online platform (at <https://culturaitaliana.org/classes>)

Day and time of lessons is agreed with the teacher. A lesson usually lasts 1h15 minutes, possibly with a pause after 30 minutes. If the student arrives late the time will not be recovered after the end of the lesson (i.e. the scheduled end of the lesson should not be postponed).
